ORDER OF PUBLIC HEALTH MADISON & DANE COUNTY

DATE OF ORDER: January 11, 2021
Goes into effect January 13, 2021 at 12:01 a.m.

EMERGENCY ORDER #12

Since Emergency Order #11, Dane County has experienced both downward and upward trajectories in the number of people testing positive for COVID-19. The downward trajectory reached a low-point on December 26th with a 7-day average of 121 testing positive—a level not seen since early October. Recently, the trajectory has started to turn back upward, leaving us with a 7-day average similar to when Emergency Order #11 went into effect—200 as of January 7. Part of the reason for the increase is a notable outbreak within the Department of Corrections facility in Oregon (198 people testing positive December 22—January 4), but the upward trend remains even if this outbreak was not included in trajectory calculations. An important distinction between December 16 (when Emergency Order #11 went into effect) and now is that the level of people hospitalized and in the ICU with COVID has continued to decrease. As of January 11, 71 people were hospitalized with COVID in Dane County hospitals and 24 were in the ICU with COVID. The number of people in the hospital and ICU with COVID was at 132 and 40, respectively, on December 16. Our community continues to see the lingering effects of the mid-November surge in cases, as December saw the highest number of COVID-related deaths in a single month—79 people—thus far in the pandemic. As of January 10, a gathering of ten people in Dane County currently has an 18% chance that at least one COVID-19 positive person will be present. This chance increases to 26% for a group size of 15, 39% for a group size of 25. When order #11 was enacted, these risks were 22%, 30%, and 46% respectively. While progress is being made, there is still reason for caution.

This Order also continues the face covering requirements and limitations on taverns for the reasons explained in Order 8.

Based upon the foregoing, I, Janel Heinrich, Public Health Officer of Madison and Dane County, by the authority vested in me by the Laws of the State, including, but not limited to, Wis. Stats.
