

Fall 2024 Vaccination Clinics

Who We Can Vaccinate

- **Children 18 and under who:**
 - Have no insurance for immunizations
 - Have Medical Assistance or BadgerCare
 - Are Native American or Alaska Native
- **Adults 19 and older who do not have insurance.**

Accessing Your Immunization Records

- If you were vaccinated in Wisconsin, you can access your vaccination record using the Wisconsin Immunization Registry (WIR).
- To access your record, you'll need to provide your name and date of birth. You'll also need to provide your social security number **OR** Medicaid ID **OR** Health Care Member ID.
- [Visit WIR online](#) or scan the QR code.

Access your immunization record in WIR
