

# 2025 VIOLENCE PREVENTION AND INTERVENTION GRANT: FAQ

***Is there a program that PHMDC can match applications to fiscal agents to help facilitate the delivery of funding?***

We do not have a current system in place for matching agencies to serve as fiscal agents.

***I am applying for the Violence Prevention grant and I am having trouble opening the Budget Workbook, Audit Survey, and Fiscal Agent files that I downloaded from the application. Is there a way to request those in a different format by chance?***

If you are having trouble downloading templates from the website, please email [amoghadam@publichealthmdc.com](mailto:amoghadam@publichealthmdc.com) and I can email them directly.

***Are organizations that have been previously awarded a violence prevention grants able to submit applications for the 2025 grant cycle?***

Yes, you are able to apply, but it would need to be a different program than the program already funded to avoid supplanting funds.

***Would we be able to use 100% of the Violence Prevention funds for personnel/salary?***

Yes, you are able to develop a budget that only funds personnel expenses.
