

COVID-19 TESTING

You aren't required to be tested in order to work.

However, we encourage all of our employees to get tested to help prevent the spread of COVID-19 in our businesses and community.

Our support

- Testing can be performed on work time (you will get paid for your time)
- Employees that test positive are allowed to quarantine as required by a health professional
- Employees can use paid sick leave for quarantine and are eligible for Paid Leave under the Families First Coronavirus Response Act
- Employees will not lose their job if they have to be quarantined.

How to get tested: publichealthmdc.com/covid19testing
