# The Details

## Who We Can Vaccinate

- **Children 18 and under who:**
  - Have no insurance for immunizations
  - Have Medical Assistance or BadgerCare
  - Are Native American or Alaska Native
- **Adults 19 and older who do not have insurance, only Covid and Flu.**

## Accessing Your Immunization Records

- If you were vaccinated in Wisconsin, you can access your vaccination record using the Wisconsin Immunization Registry (WIR).
- To access your record, you'll need to provide your name and date of birth. You'll also need to provide your social security number **OR** Medicaid ID **OR** Health Care Member ID.
- Visit [dhfswir.org/PR/clientSearch.do](https://dhfswir.org/PR/clientSearch.do) or scan the QR code to access WIR.

Access your  
immunization  
record in WIR
