

Wound Care Training for People Who Use Drugs

All are welcome to attend

 **Public Health**
MADISON & DANE COUNTY
Healthy people. Healthy places.

Training Goals

- Identify drug use related wounds
- Understand basic wound dressing supplies needed for "wet" wounds versus "dry" wounds
- Recall the steps necessary to cleanse and dress a wound
- Identify potential solutions in your community for supporting people in receiving care for drug use related wounds

Presenter

Rebecca A. Hosey, MSN, MPH, FNP-BC, is a family nurse practitioner in Philadelphia, PA. She has experience as a harm reduction worker at Prevention Point Philadelphia. She teaches the basics of wound care throughout her community and across the country in hopes of decreasing barriers for people who use drugs by supporting all types of harm reductionists in understanding how to care for wounds.
